SRI LANKAN MAJLIS - QATAR

Patron's Message

I Feel honoured to forward my compliments on the occasion of the 'Annual Symposium' of the Sri Lankan Majlis – Qatar (SLMQ).

I had assumed duties as the Sri Lankan Ambassador very recently, I am pleased with the activities of SLMQ, specially at the 55th Independence-day celebrations held on 4th Feb. 2003.

Even though SLMQ is young, the services rendered by SLMQ to the Sri Lankan community in general and the Muslim community in particular is very impressive and have no doubt that the same would continue to grow. They have strengthened the bonds of unity and understanding among all communities of Sri Lankans living in Qatar.

All members of SLMQ always play an active role in all functions organized by the embassy and happy to note that their membership is growing day by day.

I look forward to greater achievements and success in their future activities.

A.L.M. YOOSUF,
**AMBASSADOR OF SRILANKA, TO
THE STATE OF QATAR.**

President's Message

In the name of Allah The Most Gracious, The Most Merciful.

All praise be to Allah. May peace & blessings be upon Prophet Mohammed (SAW), the last of the messengers

It is indeed a great honour and privilege to forward this message to the souvenir, on the 2nd Symposium of Sri Lankan Majlis - Qatar. The annual Symposium, one of the prestigious events of SLMQ calendar, marks our achievements during the year 2002/2003 and to outline our future.

As an organization dedicated to serve the community, SLMQ has achieved greater heights, in conducting many beneficial projects and events, both here in Qatar and back at home. Alhamdulillah. Dedication, unity, & teamwork of the members and support of the sponsors & well wishers are the main reasons for the success of every activity we undertook. I wish to forward my sincere appreciation to the entire membership for their active participation and sponsors & well wishers for their support.

We are very much grateful to the former ambassador Mr. Meerasahib Mahroof for the guidance and support he gave in forming SLMQ and the growth from the day one, till his departure to Sri Lanka on completion of his tenure.

On behalf of the executive committee and entire membership, I express my gratitude and appreciation to our patron the Ambassador of Sri Lanka to Qatar His Excellency, Mr. A.L.M. Yoosuf, We wish him all the success. Also, on behalf of the membership, I welcome Dr. M.A.M. Shukri, who has been kind enough to spare his valuable time to visit Doha and to grace this occasion.

I congratulate the members of the Symposium committee for their *effort* and determination to make this year's event a grand success. I am quite confident that Sri Lankan Majlis - Qatar will grow further and serve the community in years to come.

May, Almighty Allah shower his choicest blessings on all of us.

M.M. Fazlul Haque,
President, SLMQ.

Honorary General Secretary's Report

In the name of Allah The Most Gracious., The Most Merciful.

It is my honour and pleasure to present this report of activities of the Sri Lankan Majlis – Qatar (SLMQ) for the period 2002/2003

The past year was another productive year for the Sri Lankan Majlis with steady progress and significant achievements on various fronts, Alhamdulillah! We have evolved a strong organizational identity and character linked with definite mission, appropriate programme and its implementation, and a high tone team spirit.

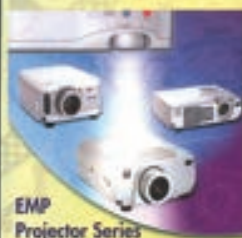

In fact the year has been so eventful that I should like to summarise what I consider to be our important achievements. By the grace of Almighty Allah, the following projects have been successfully implemented through our representations in Sri Lanka:

- We have paid salaries to 23 pre-school teachers who teach displaced poor children in Puttalam district for a period of one year.
- Financial assistance was provided for number of deserving university students to pursue higher studies
- Assistance was provided to few families who lost their breadwinners while working in Qatar
- A series of workshops currently under progress for undergraduates to create awareness among them on their responsibilities towards the community, give them professional guidance and direction to make greater achievements

Among our various community projects conducted in Qatar, it is worth mentioning the following:

- Our Quraan class project is a remarkable achievement and successfully continuing for the second year. Many children from different nationalities benefit from this noble project
- Islamic lectures conducted monthly have benefited many families to enhance religious knowledge among participants. We appreciate the dedication and effort put on by Bro Abdur Rauf Zakir to successfully conduct these lectures
- Summer activities conducted last year helped children and families to usefully spend their vacation period. Ladies took active participation in pottery painting, calligraphy, cookery and sewing competitions

Honorary General Sec..... / Cont inued

- Umrah pilgrimage organised by SLMQ was a remarkable one for many families living in Qatar, it was a good opportunity to perform Umrah and visit the holy places
- Ifthar function during last Ramadan was another opportunity for everyone to meet and jointly grace the holy month. The Eid Picnic was another event to remember for many families and children
- Independence Day competitions organized by SLMQ was a resounding success. This was an open competition for all Sri Lankan children and a vast number of them participated in colouring, painting and public speaking contests.

We would like to express our sincere thanks to all the Toastmasters who volunteered to judge the speech contests

- Eid Fiesta – The annual sports festival was another event to remember.
- Quran competitions conducted this year helped children to show their memorization and recitation skills
Our thanks are due to Ideal Indian School for providing judges for Quraan competitions
- Membership continues to grow which is very encouraging and gives confidence and strength to move forward and have increased representation in all our activities

We are continuously enhancing our profile of services to the community. We have come this long way within such short span of time only because compassionate and socially rejuvenated people - our very committed members, well-wishers and the generous organisations are supporting us whole-heartedly. Their spontaneous deep emotional identification is our asset. I would like to record my sincere thanks to them all on behalf of SLMQ. May Almighty Allah Reward them with a Reward complete.

Initiating an organisation is easy but continuing it in its model form is difficult until and unless dedicated workers pull the string and make significant contribution to its functioning. Our Executive Committee has brought SLMQ into 2003 with vitality and enthusiasm, and a vision for the future. Next year will be another challenging year for SLMQ with a range of new developments, including the ongoing projects. We will be mobilizing various subcommittees, formed with great enthusiasm to enhance broader participation and move forward with new dynamism.

May Almighty Allah guide us in the correct path.

Mohamed Nazeem Yakoob
Hon. General Secretary
