May the Peace and Blessing be upon the final Prophet and Messenger

It is with utmost pleasure that I welcome you all to this 20th annual symposium 2022 and present you this souvenir, with the greeting of peace, Assalamu Alaikum! As we take humble pride with more than two decades of efforts, dedication, and commitment to community development, the executive committee and I focused our activities this year, on the basics.

Activities in 2022 had three main goals. One - to strengthen the interaction and engagement of the members and their families identify & facilitate leadership qualities among members. Two - to reach out to fellow Sri Lankans and other associations with a common purpose, and three - to build our membership in the State of Qatar.

The theme "Leadership in the Community" is an ongoing activity we had in our association from the inception, to identify the talents & give an opportunity to implement it. It was under this banner of unification that we aligned all our activities this year.

As a pioneering association in Qatar, our efforts and initiatives have, is, and will continue towards the enhancement of welfare and development of the Sri Lankan community in both countries. We are committed to working with the Embassy of Sri Lanka, all institutions and associations to achieve this.

As a call to action — we invite all Sri Lankans living in Qatar, regardless of race, religion or background to unify under this banner of "Community Leadership". Leadership in Islam is rooted in belief and willing submission to the Creator, Allah.

I'd like to end with a verse from the Quran;

"And We made them leaders, guiding Our command; and We inspired them to do good work, and to observe the prayer, and to give out charity. They were devoted servants to Us (Allah)."
Holy Quran,21:73

I wish you all a very enjoyable and memorable symposium.

Thank you,

Arshad Hidayathulla

President - SLMQ

Peace and blessing upon Prophet Muhammad (Peace Be Upon Him)

In occasion of commemorating the 20th symposium of the Sri Lankan Majlis of Qatar (SLMQ), I am esteemed to present this report on behalf of the Executive Committee. Due to COVID restrictions, the 20th symposium, along with other activities, unfortunately, couldn't be conducted fully in 2020 and 2021.

The Annual General Meeting for the year 2019 was convened on the 13th of December 2019 at Stafford Sri Lankan School, during which the executive committee for the year 2020 was elected.

The All-University Muslim Student Association reached out to SLMQ in anticipation of receiving sponsorship for their "Spade to Shade 2020" afforestation program, held on the 4th of February 2020 at Al Hidayah National School, Colombo. SLMQ provided the sponsorship for the program, which planted 5000 trees- bearing an impactful, prospective mark on the younger generations.

SLMQ celebrated Qatar National Sports Day on the 11th of February 2020 by organizing a Meet and Greet at Al Bidda Park.

The 72nd Independence Day of Sri Lanka was commemorated on the 28th of February 2020 at Stafford Sri Lankan School. The IDC Organizing Committee entertained a wide range of activities for ages 4-18, such as essay writing, art, coloring, and speech competitions.

Under the sponsorship of SLMQ, dry rations were donated to the Sri Lankan community in Qatar.

Sri Lankan Majlis - Qatar (SLMQ) donated 800 PPE kits to the doctors, nurses, and health service professionals in IDH hospital who fought the Covid-19 pandemic. The PPE kits included (100) wraparound gowns and 100 Head/Hood covers as a token of appreciation to the healthcare staff. SLMQ made a formal request to send their donation to the frontline healthcare professionals of IDH, Sri Lanka. On 27th April 2020, at an event held at the Ministry of Health, the Ministry Secretary Ms. Badrani Jayawardane, received the donation from Dr. Anas Majeed (a former office-bearer of SLMQ) and Mr. Ramzeen Azeez (Father of and SLMQ member Dr. Ahamed Faidh) on behalf of SLMQ.

On December 25th 2020, the Annual General Assembly for 2020 was convened. Due to COVID restrictions, this meeting had to be conducted via Zoom. The Executive Committee for the year 2021 was elected.

Sri Lankan Majlis Qatar (SLMQ) donated over four hundred and fifty (450) finger clip oximeters to the State Ministry of Primary Health Services, Pandemics, and Covid-19 prevention on the 3rd of August 2021. Mr. Mohamed Ziyam - one of the founders of SLMQ, Mr. Muheed Jeeran - International Human Rights Activist, and Mr. Ramzi Azeez integrated the project.

The Annual General Meeting of SLMQ for the year 2021 was convened on the 18th of December 2021 at the Al Sakhama Farmhouse, during which, a new executive committee was elected.

The first Exco meeting, comprising of the newly elected Executive Committee, was held on the 24th of December 2021. Office bearers for the year 2022 were elected.

On the 1st of January 2022, NaviGuys Twitter reached out to SLMQ with the intention of conducting a free seminar on the 15th of January 2022 prior to the Open Competitive exam on 30th January 2022. The seminar would have been fruitful and beneficial for undergraduates and young graduates, however, in light of the economic crisis in Sri Lanka, this seminar had to be cancelled. NaviGuys later requested ailments in hopes of alleviating the crisis, to which SLMQ donated dry foods and cash too.

SLMQ planned to celebrate Sri Lanka's 74th Independence Day at Stafford Sri Lankan School Qatar, entertaining activities such as art, essay writing, speech and sport competitions. Due to COVID restrictions, this event unfortunately had to be cancelled.

Once again, SLMQ collaborated with the All-Muslim University Association to sponsor their "Space to Shade 2022" national-level tree planting campaign carried out on 04th February 2022 along with 74th National independence at Al Mubarak National School Malwana.

One of the main events held by SLMQ during the month of Ramadan is the annual iftaar program. On the 14th of April 2022, this iftaar was hosted at Phoenix School, Doha in which all SLMQ members and their families were invited.

SLMQ donated medical equipment and medicines to the Ministry of Health in Sri Lanka, with the aim of alleviating the current economic crisis.

SLMQ are currently in the process of researching and appraising extensive projects in Sri Lanka, such as Youth Career Development, University Entrance Guidance, Skill Development and Drug Awareness programs. These programs align with our current them "Leadership and community", and we believe that these programs will strengthen and improve the younger generation's aspects, and raise a substantial foundation for them.

I take this opportunity to gratifyingly welcome all our members, guests and sponsors for the 20th Annual Symposium of SLMQ. We express our gratitude and acknowledgment for your longing and continuous support to SLMQ

I wish you all a very enjoyable and memorable symposium.

Thank you,

Mohamed Lafir
