President's Message

In the name of Allah, The Most Gracious, The Most Merciful.

All praise be to Allah (SWT), the Lord of the Universe. May peace and blessings be upon his final Prophet and Messenger.

It is with great pleasure that I welcome you all to the 21st Annual Symposium 2024 and present this souvenir to you, with the greeting of peace Assalamu Alaikum Warahmatullahi Wabarakatuh.

The theme of this year's Symposium **"Collective Responsibility"** serves as a powerful reminder that every effort no matter how big or small, truly matters. When individuals unite with a common purpose, the potential for creating positive change is immense. This theme calls for each of us to look beyond our personal interests and contribute toward a future that promotes equity, sustainability and harmony for all.

As a key association in Qatar, SLMQ has demonstrated the principle of "Collective Responsibility" through numerous initiatives both here in Qatar and in our homeland. Since its inception in 2001, SLMQ has consistently upheld the values of "Collective Responsibility" a principle that has guided its efforts in times of crisis. This commitment was particularly evident in two distinct instances of natural disaster response. Following the devastating 2004 tsunami, SLMQ swiftly coordinated the air shipment of 5,000 kg of medicines and milk products and dispatched seven container loads of relief supplies to the affected communities. In addition to providing financial aid for rebuilding homes, SLMQ facilitated the reconstruction of two school libraries and raised funds for the Qatar Charitable Authority to support tsunami victims in Sri Lanka. Similarly during the COVID-19 pandemic, SLMQ demonstrated its dedication by responding to the urgent needs of Sri Lankan state hospitals, supplying essential PPE kits and Oximeters upon the request of the Ministry of Health and hospital authorities.

On behalf of the SLMQ Executive Committee, I extend my heartfelt gratitude to our patron The Ambassador of Sri Lanka to the State of Qatar and the embassy officials for their constant support. I would also like to sincerely thank our esteemed sponsors and advertisers whose generous contributions have made the 21st Annual Symposium a reality. We deeply appreciate your trust and continued support for Sri Lankan Majlis Qatar.

A special thank you goes to all the Symposium Committee Members for your unwavering dedication and tireless efforts day and night, to make this event a resounding success.
May Almighty Allah (SWT) accept all our efforts, bless us abundantly and grant us good health and success in this world and the hereafter. I wish you all an enjoyable and memorable symposium.

Collective Responsibility

ANNUAL 21ST SYMPOSIUM

A Pillar of Faith and Community

"O mankind, indeed We have created you from male and female and made you peoples and tribes that you may know one another. Indeed, the most noble of you in the sight of Allah is the most righteous of you. Indeed, Allah is Knowing and Acquainted."

- Quran 49:13 (Surat Al-Ĥujurāt).

As expatriates far from our homeland, Sri Lanka, we face unique challenges. Yet, in Islam, such challenges come with opportunities to fulfil our duty of collective responsibility. This principle is deeply embedded in our faith and is vital for the community's well-being. For Sri Lankan Muslims in Qatar, collective responsibility reflects our Islamic values, guiding us to build a stronger, united community here and beyond.

As we commemorate the 21st symposium of the Sri Lankan Majlis Qatar (SLMQ) under the theme of 'Collective Responsibility,' it is fitting to reflect on the profound importance of this principle—both in our faith and in the work SLMQ has done since its inception in 2001. SLMQ embodies the essence of collective responsibility, advancing education, charity, community building, and assistance for those in need. These efforts have enriched the Sri Lankan community in Qatar and touched lives in our homeland.

Collective Responsibility in Islam: A Divine Command

In Islam, collective responsibility is not just a moral ideal but a command from Allah. Prophet Muhammad (PBUH) emphasized humanity's interconnectedness when he said:

"The believers in their mutual kindness, compassion, and sympathy are just like one body. When one of the limbs suffers, the whole body responds with sleeplessness and fever" (Sahih Bukhari).

This hadith reminds us that our well-being is tied to that of others. Whether in prosperity or adversity, we are called to support and care for one another. As Sri Lankan Muslims in Qatar, our responsibility extends beyond individual success to include the collective welfare of our communities, both here and back in Sri Lanka.

Education: Nurturing the Future

Education has always been central to SLMQ's mission. Through education, we empower individuals and uplift communities. Understanding its importance, SLMQ has worked diligently to promote educational opportunities locally and in Sri Lanka.

SLMQ has provided scholarships, funding for school supplies, and other educational resources, allowing young Sri Lankans to pursue their dreams without financial hindrances. SLMQ has supported academic and religious institutions, from schools to vocational centres, offering vital resources for personal and communal growth.

SLMQ has organized workshops, seminars, and training programs to enhance skills and professional development. These initiatives ensure our community members have the tools they need to thrive.

Charitable Projects: Uplifting the Needy

Charity is at the heart of Islam and is a core expression of collective responsibility. Allah (SWT) commands:

"And from their properties was [given] the right of the [needy] petitioner and the deprived"

- Quran 51:19 (Surah Dhariyat).

Electronics and Household

We are supplying one of the best Electronics and household brand in the Region.

SLMQ has answered this call by organizing numerous charitable initiatives in Qatar and Sri Lanka over the past twenty-four years. These efforts transcend boundaries, supporting people regardless of faith or background.

SLMQ's charitable projects in Sri Lanka have been wide-reaching, providing essential supplies, constructing homes, and supporting sustainable livelihoods. These actions have lifted many from poverty and hardship, showcasing the transformative power of collective effort.

Assisting the Needy: A Lifeline in Crisis

One of Islam's highest forms of charity is assisting those in distress. Prophet Muhammad (PBUH) said:

"Whoever relieves a believer's distress in this world, Allah will rescue him from distress on the Day of Resurrection" (Sahih Muslim 2699).

SLMQ has embodied this principle for twenty-four years, responding to crises and relieving those in need. Whether supporting medical emergencies, organizing relief efforts during natural disasters, or offering long-term recovery assistance, SLMQ has been a lifeline for many.

Community Building: Strengthening Bonds and Solidarity

A strong community is built on mutual respect and support. Over the past two decades, SLMQ has fostered a sense of belonging and identity among Sri Lankan expatriates. Through cultural, religious, and social programs, SLMQ has helped individuals navigate expatriate life while strengthening the bonds between community members.

Our Collective Responsibility Towards Humanity

While SLMQ's efforts focus on our Sri Lankan and Muslim brothers and sisters, collective responsibility in Islam transcends all boundaries. Allah (SWT) says:

"O mankind, indeed We have created you from male and female and made you peoples and tribes that you may know one another" - Quran 49:13.

This verse calls on us to extend understanding, compassion, and justice to all of humanity. In the coming years, SLMQ aspires to promote intercultural dialogue, humanitarian assistance, and broader cooperation across communities in Qatar and beyond.

Embracing Our Sacred Duty

As we celebrate SLMQ's 21st symposium, Alhamdhulillah, we reflect on the impact of our collective efforts—promoting education, supporting charitable projects, building community, and assisting those in need. Yet, much more remains to be done.

Our faith reminds us that we are part of a greater whole. We can build a future grounded in compassion, unity, and shared purpose by fully embracing our collective responsibility. Whether it is helping a fellow expatriate, contributing to the growth of Sri Lanka, or giving back to Qatar—the nation that has graciously hosted us—each of us has a sacred role to play.

May Allah (SWT) guide our efforts, and may SLMQ continue to thrive as a beacon of collective responsibility for many more years. Ameen.
